In order to verify validity of the power of attorney granted electronically and to identify the Bank's shareholder and proxy, the Bank – following receipt of an electronic notification of granting a power of attorney as per the provisions of section 6.2 – checks whether the information and scans of the documents listed in section 6.2 have been enclosed and, for persons other than natural persons, whether the power of attorney has been granted by persons authorized to represent a given entity.

The Bank is authorized to make contacts by telephone, using the telephone number designated by the shareholder as per section 6.2, or send a return e-mail message, in order to verify the fact of granting a power of attorney in the electronic form by a given shareholder of the Bank. The Bank is authorized to contact both the shareholder and the proxy.

The Bank may additionally take other measures to identify the shareholder and the proxy in order to verify validity of the power of attorney granted in the electronic form, however such measures will be proportionate to their purpose.
